

The Holy Spirit Lutheran Church hosted the Peace Islands Institute in a Friendship Gathering on April 29th 2012. Fatma Demirbas a PII volunteer spoke about PII programs and events held in NJ. It was a wonderful day for everyone and Fatma's presentation was very informative, lot's of questions were asked. We thank PII volunteer's for the wonderful food that everyone enjoyed and a special thanks to Pastor Peggy Niederer for making this event possible.
