

The IDC hosted Dr. Walter Wagner on May 21st 2011 at the Ant Bookstore in Clifton. He talked about his book "Opening the Qur'an: Introducing Islam's Holy Book". Guests who attended had many questions that Dr. Wagner happily answered. Tea and Refreshments were served, it was a wonderful evening. We thank Dr. Wagner for his presence.

The conversation was moderated by author and journalist Aydogan Vatandas.

Some pictures from the event:
