

On Sunday August 26th the IDC had a Iftar dinner (breaking of fast) that was held at the Sheperd of the Hills Lutheran Church in Sparta, NJ. Everyone enjoyed delicious food as well as sharing their faiths with each other. There were songs sung that reminded us all about God's amazing love for us, people bonded and had a great time. It was a wonderful evening.

Lynn Webb, Pastoral Assistant said. "Our church greeted our friends from IDC to break the fast during Ramadan known as an Iftar dinner. The food was delicious and we shared our faith with each other. Our nursery became a prayer room for our friends. We gathered in our sanctuary to watch the IDC film and sang special songs played by Ronn, our organist. Barbara Osborne and Ginger Kozack sang the songs. These songs reminded us about God's amazing love for us. Thank you for your friendship and hospitality."
